

Movie Storage System - User Guide

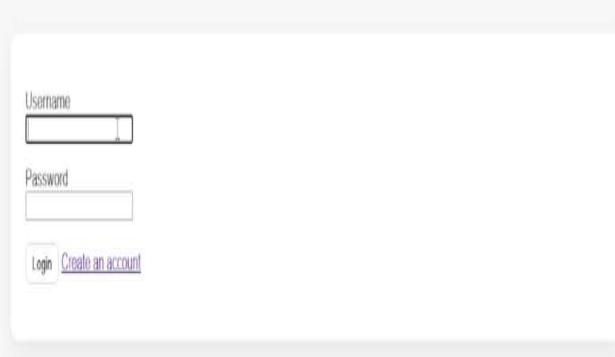

This guide explains how to use the Movie Storage System: log in, add and manage movies, people, favorites, view recommendations, and session info.

Login

- Open the application in your browser.
- Enter your registered email and password.
- Click Login.
- If credentials are valid, you will reach the Movies page.
- If login fails, correct the email or password and retry.

Login

The image shows a screenshot of a login interface. At the top left, the word "Login" is displayed in a dark font. Below it is a white rectangular input field with a thin gray border, labeled "Username" above it. To its right is another white rectangular input field with a thin gray border, labeled "Password" above it. At the bottom of the form, there is a horizontal button bar containing two items: a blue "Login" button on the left and a blue "Create an account" link on the right. The entire form is set against a light gray background.

View Movies

- After login, the Movies page loads.
- The page shows a table of all movies, including Title, Genre, Year, and Director.
- Use Edit to modify a movie or Delete to remove it.
- Click Add Movie to create a new entry.

The screenshot shows a web application window titled "Favorites". In the top left corner, there are navigation links: "Home" and "Movies". The main content area is a modal dialog box with a light gray background. At the top of the dialog, the title "Add a favorite" is displayed. Below the title is a search input field containing the text "Inception (2010)" with a dropdown arrow icon to its right, and a small "Add" button to the right of the input field. Underneath the search field, the heading "Your favorites" is shown. A table below this heading displays two rows of movie information:

Title	Year	Genre	Actions
Inception	2010	Sci-Fi	Remove
Test Movie	2025	Sci-Fi	Remove

Add a Movie

- Click Add Movie on the Movies page.
- Complete required fields: Title and Year.
- Optional: Genre, Director.
- Year must be numeric (example: 2012).
- Click Save Movie.
- You return to the Movies list and the new movie appears.

The screenshot shows a web browser window with a title bar containing various links. The main content area displays a form titled "Add a New Movie". The form has three input fields: "Title" (with an empty input box), "Year" (with an empty input box), and "Genre" (with an empty input box). Below the input fields are two buttons: "Save Movie" and "Cancel".

Edit a Movie

- In Movies list, click Edit for a row.
- Form loads with current details.
- Update values.
- Click Save Changes.
- Movies list shows updated info.
